ELEVATING LIFESTYLES WITH DESIGNS THAT TRANSCEND LUXURY

Architect **Aparna Kaushik** shares her design process that beautifully blends the realms of art and history into luxurious abodes of international stature.

Standing at the forefront of India's ultra-luxury estate design, visionary architect Aparna Kaushik seems to effortlessly integrate her profound passion for art and architecture, and the allure of period dramas into her creations. Her meticulous attention to the physiological aspects of space is complemented by a deep understanding of human psychology and its interaction within these environments.

Kaushik's commitment to curating spaces that reflect the symmetry and synchronisation found within living beings is at the crux of her work. Leading her eponymous Delhi-based studio, she oversees comprehensive design-build services, ensuring a seamless journey from initial concepts to the finest finishing details. This encompasses architecture, interiors, furniture, lighting, product design, and landscaping that reflect an impeccable design ethos.

"Clarity of purpose and simplicity are the essence of design. I design to accentuate the natural qualities of a space; amplifying its particular beauty through seamless functionality and unique form."

APARNA KAUSHIK

Kaushik's versatile portfolio showcases an array of luxury lifestyle creations. Infusing her processes with scientific clarity and pragmatism, she creates a range of awe-inspiring, strikingly expansive yet stylishly intimate spaces.

Renowned for her adept balance between aspirational design and precision, Kaushik's expertise has been pivotal in shaping notable bespoke residential estates

across India and the world. Her meticulous design process demonstrates an artist's touch, overseeing everything from furniture and lighting to floor plans and elevations, resulting in inherently cohesive creations. And by embracing an inclusive design philosophy, she integrates her client's exact requirements with their subtlest preferences in a smooth, harmonious manner, executing each aspect with exceptional skill.

The House of Aparna Kaushik specialises in architectural and interior design that transcends mere functionality, delving into the realm of storytelling. The approach begins by understanding the unique narrative behind each project, encompassing both modern and classic styles to cater to the diverse tastes of our discerning clients.

A devotee of art and architectural history, Kaushik's designs reflect a fusion of contemporary and classical forms. Her collaborations with noted international designers fuel a vibrant design ethos anchored in global standards and trends.

Essentially, Kaushik's pioneering vision, meticulous craftsmanship, and dedication to harmonising art, science, and human experience culminate in architectural masterpieces that stand as testaments to her unrivalled expertise in the realm of luxury estate design.
